## Agassiz Elementary School

Registration opens Tuesday, March 3<sup>rd</sup>, 2020 at [jatschool.org/enrichment](https://jatschool.org/enrichment)

### Cooking by Sticky Fingers

*Monday | Grades K-6<sup>th</sup> | \$190*

Let your child release their inner chef! Students will prepare and eat healthy global-inspired recipes all while learning to cook in a fun, engaging, and real-world way! Through our weekly recipes, our chefs will reinforce kitchen skills, explore cooking terminology, and learn fun nutrition facts (with a few bad jokes sprinkled in!) We will practice measuring, use a wide array of cooking utensils, and always use the freshest ingredients available!

### Yoga by Kids Need Yoga

*Monday | Grades K-3<sup>rd</sup> | \$155*

Students will practice yoga-based movement and engage in creative play and mindful connection activities during each session. Classes focus on building self-confidence, strength, and concentration while students learn the basic yoga principles of respect to self and others. Breathing exercises, creative imagery, meditation, and relaxation are introduced to give your child these important skills to carry with them into their busy school and social lives.

### Make It, Play It! Construction by Bit Space

*Monday | Grades 2<sup>nd</sup>-8<sup>th</sup> | \$200*

Think, create, iterate. This after-school program incorporates design, woodworking, power tools, and play. Students will learn to bridge the gap between conceptual ideas and their real-world application as they transition from paper prototypes to final working 8x10 board games. There are no limits to what you can create as long as you stick to the board. Students learn by prototyping, failing, iterating, and ultimately succeeding. This class will encourage students to become problem solvers and learn new skills that will live on far beyond the fun of creating their own personalized board top arenas.

### Happy Hands Mixed Media by Unicoi Arts

*Tuesday | Grades K-3<sup>rd</sup> | \$200*

Your child will explore a wide variety of subjects from rockets and robots to famous artists by learning to paint, draw, collage and sculpt. Tactile materials like clay, wax

strings, oil pastels and acrylic paints will help your child enjoy learning the basic principles of art and invite them to think creatively. New projects every session!

### Basketball by 3Point Athletics

*Tuesday | Grades K-4<sup>th</sup> | \$135*

Come out and play as we have fun learning the fundamentals of the game with unique drills, games, and contests that will keep you active after school. 3Point Athletics' team of engaging and knowledgeable coaches will blend the perfect amount of skill instruction with organized games and fun activities to create a class that is productive, positive, and fun!

### Chess by Chess Scholars

*Wednesday | Grades K-8<sup>th</sup> | \$130*

Be a part of Chess Scholars this session! Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced participants are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes and a party at the end of the session! Each child will receive a participation award and a chess keychain!

### Soccer by Super Soccer Stars

*Wednesday | Grades K-4<sup>th</sup> | \$185*

At Super Soccer Stars, dynamic coaches work with every student to develop skills, self-esteem, and teamwork in a fun, non-competitive environment. Super Soccer Stars training sessions allow for freedom of expression with the ball. This vital concept is emphasized with the introduction of 1v1 dribbling and defending games. Games increase in player numbers as proficiency is attained. The addition of opponents allows the player to make decisions under pressure. High repetition ball control activities help each player become more proficient with the ball.

### Galaxy Blast by iO Theater

*Wednesday | Grades K-3<sup>rd</sup> | \$150*

Climb aboard our rocket ship and blast off to outer space where young actors will become aliens, astronauts, and even planets! Discover the secrets of the final frontier through games, space themed crafts, out-of-this-world

songs, and even a completely original story! Young actors will explore their actor tools, learn about improvisation and story creation, and build collaboration, self-confidence, and creative thinking skills. Family and friends join us on the last day of class for the world premiere of our brand-new Galaxy Blast performance!

### **Hip Hop by Design Dance**

*Thursday | Grades K-3<sup>rd</sup> | \$180*

Learn basic hip hop techniques in an energetic classroom environment! Dancers will practice choreography to upbeat music while improving upon rhythm, flexibility, coordination, and improvisation. All dance students should wear clean gym shoes and comfortable clothes that they can move in.

### **Spanish Immersion Program by Little Linguists**

*Thursday | Grades K-3<sup>rd</sup> | \$200*

Take advantage of this window of opportunity and give your child a head start by providing them with Spanish classes! We will learn in a fun, interactive and enjoyable environment by discovering the Spanish language and culture through songs, arts and crafts, games, dances, and more.

### **Breakdance by Chicago Loves Dance**

*Friday\* | Grades K-5<sup>th</sup> | \$150*

Under the creative direction of skilled Chicago Loves Dance breakdancers, students will learn choreography and poses, show off their creativity in free-style sessions, and more. Chicago Loves Dance runs on the philosophy that dance should open your child's creative abilities and be FUN! We pride ourselves on teaching the self-esteem and socialization skills needed in everyday life through the activity of dance and performance. Parents are invited to attend a short performance during the final class to see students' new talents!

### **Tumbling by My Gym**

*Friday\* | Grades K-4<sup>th</sup> | \$150*

Our My Gym Tumblers will have a chance to explore and have fun every day this session, all while learning basic tumbling and gymnastics skills, movement and dance routines, sports, and more! Our goal for our Tumblers is to increase flexibility, strength, and knowledge of gymnastics, all while having a great time.

*\*Please note that all Friday enrichment classes will begin on 4/24 due to CPS being closed on 4/17.*
