Tuesday | Grades 2nd-8th | 4:15-5:15 pm | \$120/month

This class is for grades 2 and 3 with one year or more piano experience or grades 4-8 with no piano experience. This

intermediate piano course is designed to challenge and inspire the student to reach for a higher level of piano playing and musicianship. Students are encouraged and equipped with the tools to discover new skills like composing and improvising in a creative group setting. Backpack with class learning materials included. Students will utilize Alcott's keyboards in the classroom. We recommend that students have a full-size piano or keyboard at home with all 88 keys. Please note that all yearlong CSMA classes include a \$50 one-time, non-refundable registration fee. This fee covers all costs for the spring recital, including admission for all friends and family! *Your child must be registered for After Care or an earlier Enrichment class if you intend for them to remain at school before the start of this class.*

Yearlong Vocal Ensemble by Chicago School of Musical Arts

Wednesday | Grades 1st-6th | 3-4 pm | \$105/month

In this high-energy voice class, students will learn a variety of songs together in a group and have the opportunity to improve their vocal performance skills. This includes learning about good posture, breathing technique, clear vocal production, tonality and pitch, beginning music theory and acute listening skills. It's important that the students listen to one another and encourage and support one another. This will enable them to sing better as a unit. Singing has been shown to improve confidence; as a result, some may have the desire to sing solos! Students will be empowered to feel free to share their unique personalities through singing. Backpack with class learning materials included. Please note that all yearlong CSMA classes include a \$50 one-time, non-refundable registration fee. This fee covers all costs for the spring recital, including admission for all friends and family!

Cooking by Sticky Fingers

Wednesday | Grades K-1st | 3-4 pm | \$195

Let your child release their inner chef! Students will prepare and eat healthy global-inspired recipes all while learning to cook in a fun, engaging, and real-world way! Through our weekly recipes, our chefs will reinforce kitchen skills, explore cooking terminology, and learn fun nutrition facts (with a few bad jokes sprinkled in!) We will practice measuring, use a wide array of cooking utensils, and always use the freshest ingredients available.

Hip Hop by Design Dance

Wednesday | Grades K-3rd | 3-4 pm | \$165

Learn basic hip hop techniques in an energetic classroom environment! Dancers will practice choreography to upbeat music while improving upon rhythm, flexibility,

coordination, and improvisation. All dance students should wear clean gym shoes and comfortable clothes that they can move in.

Tumbling by My Gym

Wednesday | Grades K-4th | 3-4 pm | \$155

Our My Gym Tumblers will have a chance to explore and have fun every day this session, all while learning basic tumbling and gymnastics skills, dance and movement routines, sports, and more! Our goal for our Tumblers is to increase flexibility, strength, and knowledge of gymnastics, all while having a great time.

Amazing Minds

Wednesday | Grades K-2nd | 3-4 pm | \$175

Calling all K-2nd graders! Amazing Minds will help sharpen your skills in math, science, geography, and reading through fun, hands-on thematic activities. Science comes alive through building rock collections and exploring flight, weather, and computers. Explore math using a budget in a simulated grocery store. Join in our hands-on reading games involving the animal kingdom, ocean creatures, and even the Preamble to the Constitution! Let's 'travel' to Washington DC, Australia, Italy, or excavate Ancient Egyptian tombs! Top it all off with exciting take-home prizes. Come and exercise your brain with us after school! Topics change each session.

Secret Agent STEM: Chemistry & Engineering by The Laboratory

Thursday | Grades K-5th | 3-4 pm | \$230

Students will learn chemistry and problem-solving engineering through a fun Secret Agent theme! Over the course of the session, we will work to uncover an evil plot from our nemesis Dr. EvilMind, draw comics, invent, experience hands-on chemistry or engineering experiments, and work on take-home projects. These classes might include self-destructing secret messages, creating "cookie" mini-bots, making things glow in the dark, a get-away vehicle challenge, immobilizing gunk booby traps, fun STEM game challenges, and more!

Yearlong Intro to Ukulele by Chicago School of Musical Arts

Friday | Grades K-2nd | 3-4 pm | \$105/month

Ukulele is very versatile and beginner friendly! Learn how to play simple chords and strumming technique in this class. These techniques will then be applied to simple songs. Students will also be introduced to reading musical

notation on the ukulele. Backpack with class learning materials included. Ukulele not included. We suggest purchasing: Luna

Soprano Ukulele and carrying case. Please note that all yearlong CSMA classes include a \$50 one-time, non-refundable registration fee. This fee covers all costs for the spring recital, including admission for all friends and family!

Power Friends Yoga Club by Mission Propelle

Friday | Grades K-5th | 3-4 pm | \$125*

A Power Friend is an ally – someone who always has your back! At Power Friends Yoga Club, kids occupy a gender-equal space where they gain superpowers like empathy, discipline and mindfulness through yoga and reading. Power Friends Yoga Club is a safe space for girls to explore who they are and grow in self-confidence. It is also a space for boys to hear and respect girls' voices and become allies in the cause of equity. All children are empowered to advocate for themselves and others, explore their full range of interests and abilities, and experience and express a full range of feelings. Each class includes asana, breathwork, mindfulness exercises, and a read-aloud featuring Mission Propelle's original girl-power storybooks. Program includes a yoga mat and a digital download of the weekly storybook.

Martial Arts by Impact Dojo

Friday | Grades K-5th | 3-4 pm | \$165*

Children will be engaged in a high-energy and fun environment in which they will be taught the basic principles and history of Martial Arts. They will learn the

basics of self-defense and the appropriate time to use it. In addition, they will be taught Stranger Danger Awareness. This will help them assess friend from foe and how to act accordingly. Most importantly they will gain confidence, learn discipline, and be taught how to respect themselves, their peers, and their elders. Please note that there is an additional \$40 fee for the martial arts uniform, which is not required but is highly encouraged, as your child will earn belts as s/he develops new skills.

Circus Fun by CircEsteem

Friday | Grades K-5th | 3-4 pm | \$180*

Give your kids the opportunity to "clown around" while developing balance, flexibility and coordination. Kids will learn tight wire walking, juggling, plate spinning, acrobatics, and clowning. Circus classes give every child the chance to shine in the center ring, building confidence and allowing students to work as a team.

Soccer by Youth Soccer International

Friday | Grades K-2nd | 3-4 pm | \$155*

A great introduction to soccer, this class teaches skill building such as dribbling, passing and shooting in a team format. Kids will scrimmage and learn to play together as a team. Our players will receive quality instruction in a fun environment. This program looks to teach players technical skills with lots of ball touches and fun activities. Appropriate for players of all different levels.

**Please note that all Friday enrichment classes will begin on 4/24 due to CPS being closed on 4/17.*
