Register online at jatschool.org/enrichment

Burr Elementary School

Registration opens Tuesday, March 3rd, 2020 jatschool.org/enrichment

The Green Explorers Club

Monday | Grades K-2nd | \$200

Green Explorers Club teaches kids about nature and sustainability through hands-on projects and activities. Our weekly classes involve indoor and outdoor exploration that help build a health curiosity for life sciences and the environment. Your child will dive into topics like pollinators, native trees, hydroponics, endangered animals, sustainable food, honeybees, weather, and more! To learn more about our programs, visit www.greenexplorersclub.com.

Martial Arts by Impact Dojo

Monday | Grades K-5th | \$150

Children will be engaged in a high-energy and fun environment in which they will be taught the basic principles and history of Martial Arts. They will learn the basics of self-defense and the appropriate time to use it. Most importantly they will gain confidence, learn discipline, and be taught how to respect themselves, their peers, and their elders. *Please note that there is an additional \$40 fee for the martial arts uniform, which is not required but is highly encouraged, as your child will earn belts as s/he develops new skills.*

Minecraft Redstone Circuitry by Kids STEM Studio

Tuesday | Grades 1st-4th | \$205

Using Minecraft's Redstone blocks, students learn about and build electronic circuits that act in response to player activation or autonomously. Students create devices with simple to complex mechanisms such as light switches, traps, elevators, and automatic farms to take Minecraft to the next level.

Cooking by Sticky Fingers

Tuesday | Grades K-6th | \$215

Let your child release their inner chef! Students will prepare and eat healthy global-inspired recipes all while learning to cook in a fun, engaging, and real-world way! Through our weekly recipes, our chefs will reinforce kitchen skills, explore cooking terminology, and learn fun nutrition facts (with a few bad jokes sprinkled in!) We will practice measuring, use a wide array of cooking utensils, and always use the freshest ingredients available!

Let's Learn Cartooning by Young Rembrandts

Wednesday | Grades K-5th | \$110

Does your child have a great sense of humor to complement his or her artistic skills? If so, your child will LOVE a Young Rembrandts Cartoon class. Our students will learn how to personify inanimate objects as they breathe life into the sun and moon, transforming them into funny cartoon characters. A humorous bird feeding sequence will teach your child visual and sequential story telling. We'll also create drawings that feature colorful and expressive forest animals. Give your child the gift of learning and artistry. Enroll today!

Amusement Park Engineering by Snapology

Wednesday | Grades K-5th | \$140

From Navy Piers' famous Centennial Wheel to Six Flags' roller coasters, we bet your child loves going to amusement parks. During their exhilarating experience with the variety of fast, dropping, and spinning rides, have they ever thought about the science that goes into building the rides and the people who are responsible for designing them? In Snapology's Amusement Park Engineering class, students will become engineers of amusement park rides to learn the gear systems, motors, wheels, and axles that make up the rides and core physics and engineering concepts used to make them thrilling!

Spanish Immersion Program by Cervantes Kids

Thursday | Grade K-2nd | \$190

An immersion enrichment program that will develop each student's ability to understand, speak, read, and write in Spanish. Communication is the objective of the class. Students will actively use Spanish to converse and interact with other students. Grammar will be used as a tool to reinforce students' language skills. This unique program also includes exposure to Spanish and Latin American art, culture, and geography!

Chess by Chess Scholars

Friday | Grades K-8th | \$130

Be a part of Chess Scholars this session! Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced participants are welcome and will get to the next level

J at School Enrichment Classes
Spring session 4/13/20 - 6/12/20

under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes and a party at the end of the session! Each child will receive a participation award and a chess keychain! *Please note that class will begin on Friday, 4/24, due to CPS not being in session on 4/17.*

Yearlong Violin Ensemble by Chicago SMA

Friday | Grades K-5th | \$105/month

Beginning violinists are welcome to join this fun-filled

music class. Young Maestros will focus on posture, making a beautiful sound, and learning fun tunes! We will learn with music theory games, singing songs, and will learn how to play together as an ensemble. Backpack with class learning materials included. Violin not included. Suggested violin rental and foam shoulder rest: Chicago Strings (chicagostrings.com.) *Please note that all Chicago SMA classes include a \$50 non-refundable registration fee which will be charged upon registration.*
