Yearlong Intro to the Art of Piano by Chicago SMA

Monday | Grades 1st-4th | \$105/month

This class is for beginning and intermediate piano students. Start your musical journey with basic keyboard fundamentals, techniques, and musicianship skills. Build a forever foundation for making music! Students will play both solo and in an ensemble. Backpack with class learning materials included. Keyboard not included. We suggest purchasing Casio SA76EDP Personal Keyboard package (includes headphones, software cd, and power supply). Carrying case sold separately. Batteries required for class.

Let's Learn Cartooning by Young Rembrandts

Monday | Grades K-5th | \$135

Does your child have a great sense of humor to complement his or her artistic skills? If so, your child will LOVE a Young Rembrandts Cartoon class. Our students will learn how to personify inanimate objects as they breathe life into the sun and moon, transforming them into funny cartoon characters. A humorous bird feeding sequence will teach your child visual and sequential story telling. We'll also create drawings that feature colorful and expressive forest animals. Give your child the gift of learning and artistry. Enroll your student today!

Breakdance by Chicago Loves Dance

Monday | Grades K-5th | \$155

Under the creative direction of skilled Chicago Loves Dance break dancers, students will learn choreography and poses, show off their creativity in free-style sessions, and more. Chicago Loves Dance runs on the philosophy that dance should open your child's creative abilities and be FUN! We pride ourselves on teaching the self-esteem and socialization needed in everyday life through the activity of dance and performance. The last day of the class will be a parent watch day where students will do a short performance to show off their new talents.

Hands-On Engineering by Kids STEM Studio

Tuesday | Grades K-2nd | \$210

Students learn engineering with hands-on tinkering to understand and apply design and engineering concepts as they create innovative solutions to challenges. Students design and build their own electrical gadgets, simple machines and mechanisms, bridges, rockets, boats and more, learning various Engineering disciplines. Students also get to take their creations home.

Hip-Hop/Cheer by Chicago Loves Dance

Tuesday | Grades K-5th | \$175

Join us for this fun, engaging new class which combines Hip Hop and Cheer skills to create routines that highlight both styles! Under the creative direction of skilled Chicago Loves Dance instructors, students will learn choreography to newest pop/dance songs, show off their creativity in free-style choreography sessions, and more. Chicago Loves Dance runs on the philosophy that dance should open your child's creative abilities and be FUN! We pride ourselves on teaching the self-esteem and socialization needed in everyday life through the activity of dance. Parents are invited to a 15-minute performance on the last day of class!

Martial Arts by Impact Dojo

Tuesday | Grades K-5th | \$190

Children will be engaged in a high energy and fun environment in which they will be taught the basic principles and history of Martial Arts. They will learn the basics of self-defense and the appropriate time to use it. In addition, they will be taught Stranger Danger Awareness. This will help them assess friend from foe and how to act accordingly. Most importantly they will gain confidence, learn discipline, and be taught how to respect themselves, their peers, and their elders. *(Please note that there is an additional \$40 fee for the martial arts uniform, which is not required but is highly encouraged, as your child will earn belts as s/he develops new skills.)*

Knitting by Sister Arts Studio

Wednesday | Grades 1st-6th | \$210

Join the Sister Arts Studio Knitting Club! Beginning Knitters will learn to cast-on, knit & bind-off. Knitters will make a scarf, headband or small blanket. Continuing Knitters can choose to knit a hat or headband using circular needles! Materials included.

Improv/Comedy by Laugh Out Loud Youth

Wednesday | Grades 1st-5th | \$145

Laugh Out Loud Theater will have your kids flexing their funny bones while challenging them with a variety of theater exercises and improv comedy games. This comedy course is led by professional Chicago improvisers, and these instructors will take your child on a journey through improv that will hone a variety of skills such as teamwork,

listening, public speaking, creative thinking, self-confidence, and, of course, individual sense of humor.

Amazing Minds

Wednesday | Grades K-2nd | \$175

Calling all K-2nd graders! Amazing Minds will help sharpen your skills in math, science, geography, and reading through fun, hands-on thematic activities. Science comes alive through building rock collections, exploring flight, weather, and computers. Explore math using a budget in a simulated grocery store. Join in our hands-on reading games involving the animal kingdom, ocean creatures, and even the Preamble to the Constitution! Let's 'travel' to Washington DC, Australia, Italy, or excavate Ancient Egyptian tombs! Top it all off with exciting take-home prizes. Come exercise your brain with us after school! Topics change each session.

Yoga by Chicago Loves Dance

Thursday | Grades K-5th | \$175

This class is run by certified Chicago Loves Dance yoga instructors. We supply the mats - all you need to do is come ready for some yoga and stretch! In this class kids will learn beginning yoga movements, terms and yoga-based games to make learning fun. Yoga in early childhood and teen years is wonderful for managing stress, improving listening skills, building self-esteem and supporting social and emotional learning.

Mandarin Chinese by ChinaFriends

Thursday | Grades K-2nd | \$200

ChinaFriends is proud to offer an after-school Mandarin Chinese program at Abraham Lincoln Elementary School. Students will learn age-appropriate topics that are useful in everyday life, while also exposing them to Chinese culture. No prior knowledge of Mandarin is required.

Let's Build It – Chain Reactions! by Chess Scholars

Thursday | Grades 1st-6th | \$175

See the laws of motion at work in this thrilling, hands-on course. Students will construct machines, like the Heavyweight Hammer and the Spin-o-Matic, and then combine them to create exciting chain reactions! Each week the chain reactions become more complex with the introduction of new machines. Students will have the opportunity to delve into concepts such as force, gravity, velocity, types of energy, and balance. At the end of the

session, students will be challenged to create the Ultimate Chain Reaction by working cooperatively to see how many machines they can incorporate. No previous experience is necessary, just a desire to learn and build. Each participant will receive an award on the last day of the session and get to earn Energy Belts through demonstrating new skills!

Martial Arts by Impact Dojo*

Friday | Grades K-5th | \$170

Children will be engaged in a high energy and fun environment in which they will be taught the basic principles and history of Martial Arts. They will learn the basics of self-defense and the appropriate time to use it. In addition, they will be taught Stranger Danger Awareness. This will help them assess friend from foe and how to act accordingly. Most importantly they will gain confidence, learn discipline, and be taught how to respect themselves, their peers, and their elders. *(Please note that there is an additional \$40 fee for the martial arts uniform, which is not required but is highly encouraged, as your child will earn belts as s/he develops new skills.)*

Broadway Kids – Frozen by Dream Big*

Friday | Grades K-3rd | \$205

“Let It Go” in this exciting class that celebrates everything Frozen and Frozen II! Your child will love to explore music and aspects of the story from the Disney phenomenon that has kids and adults alike singing at the top of their lungs. Students in this class will have the option of recreating their version of this heartwarming tale of love and embracing our differences or incorporating the songs into a brand-new story that they devise. This collaborative process will culminate in an informal performance of the students' original show on the final day of class!

Happy Hands Mixed Media by Unicoi Arts*

Friday | Grades K-3rd | \$185

Your child will explore a wide variety of subjects from rockets and robots to famous artists by learning to paint, draw, collage and sculpt. Tactile materials like clay, wax strings, oil pastels and acrylic paints will help your child enjoy learning the basic principles of art and invite them to think creatively. New projects every session!

**Please note that all Friday enrichment classes will begin on 4/24 due to CPS being closed on 4/17.*
