Let's Learn Cartooning by Young Rembrandts

Monday | Grades K-5th | \$105

Does your child have a great sense of humor to complement his or her artistic skills? If so, your child will LOVE a Young Rembrandts Cartoon class. Our students will learn how to personify inanimate objects as they breathe life into the sun and moon, transforming them into funny cartoon characters. A humorous bird feeding sequence will teach your child visual and sequential story telling. We'll also create drawings that feature colorful and expressive forest animals. Give your child the gift of learning and artistry. Enroll your student today!

Tumbling by My Gym

Monday | Grades K-4th | \$145

Our My Gym Tumblers will "tumble" into fun this session, all while learning basic tumbling and gymnastics skills, movement and dance routines, sports, and more! Our goal for our Tumblers is to increase flexibility, strength, and knowledge of gymnastics, all while having a great time!

Galaxy Blast by iO Theater

Monday | Grades K-3rd | \$145

Are you a Rainbow Fish, a Pout-Pout Fish, or a completely new under the sea character? Swim with the fish through the kelp, play with dolphins around the coral reef, and maybe even spot a mermaid at the bottom of the sea as you discover the wonderful secrets that only exist deep in the ocean! Students will play drama games, sing water themed songs, and make crafts to make their Under the Sea adventure come to life!

Martial Arts by Impact Dojo

Tuesday | Grades K-5th | \$155

Children will be engaged in a high-energy and fun environment in which they will be taught the basic principles and history of Martial Arts. They will learn the basics of self-defense and the appropriate time to use it. In addition, they will be taught Stranger Danger Awareness. This will help them assess friend from foe and how to act accordingly. Most importantly they will gain confidence, learn discipline, and be taught how to respect themselves, their peers, and their elders. *Please note that there is an additional \$40 fee for the martial arts uniform, which is not required but is highly encouraged, as your child will earn belts as s/he develops new skills.*

Girl Power Yoga by Mission Propelle

Tuesday | Grades K-5th | \$140

Mission Propelle (formerly Smarty Pants Yoga) empowers elementary-aged girls to discover who they are, what they believe, and how to advocate for themselves through a combination of yoga, reading, and mentoring. In each one-hour class, girls develop mindfulness and self-confidence as they practice yoga, and problem solving by reading original storybooks starring a female protagonist. Learn more at www.missionpropelle.com.

Amusement Park Engineering by Snapology

Tuesday | Grades K-5th | \$155

From Navy Piers' famous Centennial Wheel to Six Flags' roller coasters, we bet your child loves going to amusement parks. However, during their exhilarating experience with the variety of fast, dropping, and spinning rides, have they ever thought about the science that goes into building the rides and the people who are responsible for designing them? In Snapology's Amusement Park Engineering class, students will become engineers of amusement park rides to learn the gear systems, motors, wheels, and axles that make up the rides and core physics and engineering concepts used to make them thrilling!

Sports Spectacular by Overtime Athletics

Wednesday | Grades K-2nd | \$110

Save the best for last by finishing up the school day with Sports Spectacular, a variety athletic program that features different sports throughout the session. Participants will practice skills and play games in both traditional sports and playground favorites. The Sports Spectacular Program features the best to-do list ever. Basketball, Soccer, Flag Football, Kickball, Capture the Flag, Whiffle Ball, Bump and Bite, Knights and Dragons, Numbers Game, Tag Games, and MORE! OTA covers all the bases with our emphasis on playing, teamwork, sportsmanship, and fitness. Don't miss out on the FUN!

Kids' Improv by Knuckleball Comedy

Wednesday | Grades 1st-5th | \$155

Do your children enjoy constant laughter? With direction and coaching from an experienced Knuckleball Comedy comedian, students will learn the basics of improvisation and performance. Along the way, kids will gain not only

valuable tools for everyday life, but they will also enjoy plenty of laughs and new friendships along the way.

Hip-Hop/Cheer by Chicago Loves Dance

Wednesday | Grades K-5th | \$150

Join us for this fun, engaging new class which combines Hip Hop and Cheer skills to create routines that highlight both styles! Under the creative direction of skilled Chicago Loves Dance instructors, students will learn choreography to newest pop/dance songs, show off their creativity in free-style choreography sessions, and more. Chicago Loves Dance runs on the philosophy that dance should open your child's creative abilities and be FUN! We pride ourselves on teaching the self-esteem and socialization needed in everyday life through the activity of dance. Parents are invited to a 15-minute performance on the last day of class!

Hands-On Engineering by Kids' STEM Studio

Thursday | Grades K-2nd | \$200

Students learn engineering with hands-on tinkering to understand and apply design and engineering concepts as they create innovative solutions to challenges. Students design and build their own electrical gadgets, simple machines and mechanisms, bridges, rockets, boats and more, learning various engineering disciplines. Students also get to take their creations home.

Cooking by iCook

Thursday | Grades K-5th | \$200

iCOOK is a really fun, hands-on after-school cooking program for children. Our mission is simple: to help teach children to love everything about food, cooking, eating delicious and healthful dishes (of course!), learning about nutrition and world cuisine. We make every experience fun because we start with great recipes and fresh ingredients, colorful cooking stations and engaging activities. Children are encouraged to share their cooking experiences when they return home. We provide the recipes, cooking tips and

Green Explorers Club

Thursday | Grades K-2nd | \$220

Green Explorers Club teaches kids about nature and sustainability through hands-on projects and activities. Our weekly classes involve indoor and outdoor exploration that help build a health curiosity for life sciences and the environment. Your child will dive into topics like pollinators, native trees, hydroponics, endangered animals, ecosystems, sustainable food, honeybees, weather, and more! To learn more about our programs, visit www.greenexplorersclub.com.

Breakdance by Chicago Loves Dance*

Friday | Grades K-5th | \$150

Under the creative direction of skilled Chicago Loves Dance break dancers, students will learn choreography and poses, show off their creativity in free-style sessions and more. Chicago Loves Dance runs on the philosophy that dance should open your child's creative abilities and be FUN! We pride ourselves on teaching the self-esteem and socialization needed in everyday life through the activity of dance and performance. Parents are invited to a 15-minute performance on the last day of class!

Happy Hands Mixed Media by Unicoi Arts*

Friday | Grades K-3rd | \$175

Your child will explore a wide variety of subjects from rockets and robots to famous artists by learning to paint, draw, collage and sculpt. Tactile materials like clay, wax strings, oil pastels and acrylic paints will help your child enjoy learning the basic principles of art and invite them to think creatively. New projects every session!

**Please note that all Friday enrichment classes will begin on 4/24 due to CPS being closed on 4/17.*
