Let's Learn Cartooning by Young Rembrandts

Tuesday | Grades K-5th | \$110

Does your child have a great sense of humor to complement his or her artistic skills? If so, your child will LOVE a Young Rembrandts Cartoon class. Our students will learn how to personify inanimate objects as they breathe life into the sun and moon, transforming them into funny cartoon characters. A humorous bird feeding sequence will teach your child visual and sequential story telling. We'll also create drawings that feature colorful and expressive forest animals. Give your child the gift of learning and artistry. Enroll your student today!

Cooking by iCook

Wednesday | Grades K-5th | \$150

iCOOK is a really fun, hands-on after-school cooking program for children. Our mission is simple: to help teach children to love everything about food, cooking, eating delicious and healthful dishes (of course!), learning about nutrition and world cuisine. We make every experience fun because we start with great recipes and fresh ingredients, colorful cooking stations and engaging activities. Children are encouraged to share their cooking experiences when they return home. We provide the recipes, cooking tips and talking points to create recipe sharing and learning at home easier and more fun. iCOOK, and you can, too!

Chess Scholars

Thursday | Grades K-5th | \$130

Be a part of Chess Scholars this spring! Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced participants are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes and a party at the end of the session! Each child will receive a participation award and a chess keychain!
